

CHEIM & READ

PRESS RELEASE

LIQUID PROPERTIES

July 6th – August 3, 2001

Cheim & Read is pleased to announce the group exhibition

Liquid Properties

The exhibition examines the formal and metaphorical qualities of liquid as it:

becomes hard in the work of **Lynda Benglis**;
is caught in an **Adam Fuss**;
responds to gravity in a **Richmond Burton**,
Mary Heilmann and **Pat Steir**;
bleeds in a **Juan Usle**;
pools in a **Dona Nelson** and a **Gary Hume**;
splatters in a **Warhol**;
suggests the body in a **Louise Bourgeois** and **David Hines**;
reflects light in a **Jack Pierson**.

Friday July 6th through August 3rd, 2001
